Staying Safe during COVID-19 – Studies have shown that natural disasters and extreme financial distress, such as a recession, correlate with higher rates of violence and abuse; which raises great concern about domestic violence during this pandemic. Additionally, the closure of schools/daycares, community centers and recreational activities can further strain families. For more information about the impact on victims and survivors and staying safe during COVID-19, please review the resources below.

Safety Resources

It's Hurricane Season – Are you prepared? – As we continue to deal with the challenges presented by COVID-19, many may have overlooked that the 2020 hurricane season began June 1st and will last through November, with the peak season from mid-August to late October. During the pandemic, you may see longer lines outside stores as people maintain social distancing standards. To avoid the crowds, consider stocking up on supplies well before a hurricane arrives.
