Top Tips for Getting a Certificate

**No
Fast
Forward**

You will see a box beneath the video where the link to the quiz will be available. But if you fast forward anywhere in the video, the link will not be enabled.

**Avoid
Cell
Phone**

You can watch any of the videos on a cell phone. BUT, beware of viewing on a cell phone if you need a certificate. You may be more likely to close the screen or restart the video which will affect your ability to access the link to the quiz.

**3

You are only allowed 3 attempts to pass the quiz – even if you took the quiz months ago. If you are locked out we will need to unlock your account before you can watch the video again and get access to the link to the quiz.

We are here to help! We want you to have the best experience possible. If you need assistance (including unlocking your account) email centersupport@usf.edu and provide us with your NAME, TITLE of the video or quiz, which STATE you reside in and the ISSUE you are having. We will respond within 24 hours Monday through Friday.
